

**CITIZENS ADVISORY COMMITTEE
PARTNER UPDATES
AUGUST 2018**

NATIONAL WESTERN STOCK SHOW

- Capital campaign is going well. Just surpassed 25 million committed.
- Legacy building selection of a construction management firm is complete. The Wells Partnership was selected.

COLORADO STATE UNIVERSITY

- Procurement updates
 - Animal health building RFP closed, five solid responses received, four shortlisted, interviews in late September
- Youth Action Coalition conversations
 - CSU is in the exploratory stage of creating a coalition that would work with youth in the community to ensure youth have a voice at the table with the NWC
 - Conversations on-going related to content and collaboration with groups already engaging community youth: Project Voyce, Radian, Groundwork Denver, Grow Haus, iNSPIRE, and Bruce Randolph School
- Bruce Randolph School engagement
 - CSU engagement in AP Civics and AP Human Geography classes related to water
 - Upward Bound program
 - Little Shop of Physics
 - Annual campus visit for 8th graders (and creation of a pipeline at BRS to help students engage with higher education)
 - Equine Assisted Activities and Therapies
 - Potential Youth Action Coalition
- Community engagement/activities
 - **Engagement in July/August:**
 - 15th Annual Orthodox Food Festival & Old Globeville Days

- Youth Water Expo: CSU CoCoRaHS, water fellows
- Clinica Tepeyac 5K: Triathlon Team, Smart Fit Girls
- Laradon 70th Anniversary Celebration
- Laradon North Campus Visioning Session

Upcoming engagement:

- September 8--Grow Haus Block Party
- September 13--Laradon Community Festival
- September 22--Valdez-Perry Fall Festival
- October 6--CSU Animal Health Community Outreach Event @ Focus Points Community Center with Partners: Clinica Tepeyac, Focus Points, Dumb Friends League
- October 18--Little Shop of Physics Open House at Bruce Randolph (Bruce Randolph School and all feeder/GES schools during the school day. From 4-6 p.m., the event will open to the community and CSU will provide pizza)
- PR/press
 - CSU selected design partner HCM for CSU Water Building: <https://publicrelations.colostate.edu/2018/08/20/colorado-state-university-selects-design-partner-for-first-building-at-landmark-national-western-center/>

DENVER MUSEUM OF NATURE AND SCIENCE

SCFD Educators Night is back and better than ever!

- More than 70 organizations will gather to bring you marvelous performances and engaging activities. Experience the rich opportunities SCFD organizations can offer you and your students and have a blast while you're at it! Take in the surprising sights and sounds, grab a snack and a cocktail, preview IMAX and Planetarium shows, and connect with your colleagues at this evening you won't want to miss.
- Showing at 6:15, 7:15 and 8:15:
Oceans 3D: Our Blue Planet in Phipps IMAX Theater
Space Tours Live! in Gates Planetarium
- Light appetizers and cash bar will be available. Please share with the Educators you know. Registration and more details at <http://www.dmns.org/teachers/events-programs/scfd-educators-night/>

Save the Date: SCFD Free Night!

- The Museum will be open to everyone for an SCFD Free Night on Wednesday, September 12 from 4:00-10:00 p.m. Explore the new exhibit [Mindbender Mansion](#), now open.

HISTORY COLORADO

Starting July 9th, and running through February 3rd, History Colorado will have a mural by Globeville artist Anthony Garcia Sr on the 4th floor mezzanine. He'll be live painting it from July 9th to July 20th. The mural will also offer a small amount of interpretation about the history of the Globeville neighborhood, and how Anthony's organization, Birdseed Collective, serves the neighborhood. Anthony will return on Colorado Day to do live painting throughout the day.
