# CONSTRUCTION AT A GLANCE

Aerial Photograph Dated  
December 10, 2020

## DRIR Work

The Denver Rock Island Railroad rail Cutover occurred on Dec. 3. With the completion of the cutover, DRIR put their first train on the tracks and will be live testing their new tracks for the next 30 days.

## DRIR Work

Once DRIR officially accepts the new tracks, removal of the old tracks will begin, (Jan. 2021). This is the first step of beginning to open access to the South Platte Riverfront.

# Stockyards Event Center

The Stockyard Event Center continues to progress. Wall insulation is being installed and window framing is underway in preparation for glass installation. North of SYEC will be the new home of Stockyards, which are in are final design and will begin construction next year.

# Stockyards Event Center

# Site Work

The large fill piles will be used for new National Western Drive and the Riverfront.

# Central Utility Plant

Work is nearly complete for Central Utility Plant pad for the District Energy System.

# THANK YOU!
