BEFORE

# Stockyards Event Center

The SYEC roof is complete, and the new mezzanine deck is in place. Underground utility work continues inside the building.

BEFORE

# Historic Water Tower

The water tower has been restored and was moved to its permanent location within the future Main Campus Plaza.

BEFORE

Livestock Center pad and Legacy Center pad continue to progress and are trending on schedule.

BEFORE

## Rail Corridor

The rail corridor continues to progress and Denver Rock Island Railroad will soon be live-testing their new tracks.

BEFORE

Demolition activities are nearly complete north of the Livestock Exchange Building. Once complete the HIC will begin pad prep activities for the Central Utility Plant and energy partner work.
